

**Jupiter Heating Systems Ltd based in Chobham, Surrey is looking for candidates to join the installation team. Jupiter has been established for 12 years and has a very good reputation within the industry.**

**Jupiter specialises in the supply and installation of water based underfloor heating systems. Our systems are unique in that do not require the use of screed. More information on our system can be found at [www.noneedtoscreed.com](http://www.noneedtoscreed.com)**

**As a new member of Jupiter you will be given full training on all procedures, methods and machinery as required in our health and safety policy. In addition you will be provided with quality work trousers, sweaters and fleeces. Over the years we have developed a working culture in which our employees are very happy and have therefore been with us for many years.**

**Ideally we are looking for someone with experience on a construction site and is in possession of a valid CSCS card. If you do not have a CSCS card we are happy to cover the costs for you obtain one.**

**Normal working hours are 40 hours per week, Monday to Friday. Although our offices are based in Chobham our work is nationwide you may be required to stay away from home in accommodation provided by us. It is preferred that you have access to your own transport as our installation teams have meeting points to which any new member should make their own way.**
