

We are a long established progressive stone fabrication company specialising in all aspects of stone for domestic and commercial settings based in Surrey RH1.

To join our team with immediate effect we require:

KITCHEN SURVEYOR/TEMPLATER AND FITTER

The right candidate must have a proven industry track record, will have an eye for detail, good spoken English, and a full clean driving license.

It would be an advantage if you possess a CSCS card, NVQ qualified and experience in digital templating technology using a PROLINER.

The remuneration package is higher than the industry norm but will strongly depend on your experience, professionalism and job knowledge.

Please apply via email sending a CV to: richard@richardsmythe.co.uk
