## The Architects' Club

Stone Federation is the official trade association for the natural stone industry with over 100 years' experience in connecting architects with the finest stone professionals and materials.

The Architects' Club exists to provide the architectural community with a source point for all your natural stone requirements.

There are two tiers of membership, which are outlined below:

### **Tier 1**

- Free technical email helpline
- Discounts on publications and access to free titles
- Discounts on Stone Federation seminars and courses
- Access to member-exclusive networking opportunities and industry events
- Updates on changes to legislation and best practice guidelines relating to natural stone
- Access to Federation's full range of CPD's

### **Tier 2**

- Full company profile in the Natural Stone Source Book, the Federation's flagship publication which sees distribution to 5,000 architects, designers, local authorities and natural stone industry firms.
- Full company profile on the Stone Federation website that sees in excess of 75,000 users each year. You will be able to include project profiles, case studies and company information with a link back to your own website.

The Architects' Club Tier 1 is free of charge, Tier 2 is priced at £175 + VAT per annum.
