Our Bespoke Design Service

If you wish to create or replicate a fireplace surround you have seen elsewhere simply discuss your requirements with us. Our team of craftsmen will work closely together to make your vision a reality.

*Having found
your natural
stone, choose one
of our hearths to
complement your
fire surround.*

WELCOME...

...to a selection of our Natural Stone fire surrounds.

McMonagle Stone have been handcrafting natural stone fireplaces for over 40 years, selecting stone from our quarries for its character, quality and colour.

Whatever your preference - be it a traditional fireplace to add charm and elegance to your room or contemporary for a stylish and welcoming point for your room we have a design for you.
