

Stone Mason

As a company we specialise in the supply and manufacture of stone products such as granite and engineered quartz stone.

We are a company that look after our staff and reward effort. We believe that a strong team is the key to our past and future successes, investing heavily in our people as well as our technology. We have built an impeccable reputation for the service and quality we produce, something that we are very proud of and value deeply.

This is an exciting opportunity to become an integral part of the company and a member of the team.

We are looking for someone with a positive work ethic and the ability and desire to achieve high standards of quality workmanship, with a focus on customer service.

Job role requires:

- Manual Handling (heavy lifting)
- Cutting, polishing and finishing of stone worktops
- Being polite and presentable
- Attendance and punctuality are of high importance
- Experience

Benefits:

- Company pension
- Free on-site parking

Schedule:

- 8 hour shift
- Monday to Friday
- Permanent full-time position
- Overtime
- Expected hours: No less than 40 per week

Language:

- English (preferred)

Pay will be negotiated based on level of experience and reviewed at the end of the trial period should your application be successful.
