

Worktop Template and Installer

We are looking for a qualified fitter to assist with the installation of stonework, mainly kitchen work surfaces.

Must also be able to create templates to a neat and clear standard, detailing all the requirements of the client, ready for the manufacturing teams to complete the work. This is an exciting opportunity to become an integral part of the company and a member of the template and installation team.

We are looking for someone with a positive work ethic who also possesses the ability and desire to achieve high standards of quality workmanship, with a focus on customer service.

Desirable attributes of candidates include:

- Manual Handling (heavy lifting)
- Using initiative in the field and having a can-do attitude when faced with hurdles
- Being considerate of clients, colleagues and other trades
- Being polite and presentable (working in people's homes)
- Attendance and punctuality are of high importance

Experience is beneficial in this sector of at least 2 years.

Pay will be negotiated based on level of experience and reviewed at the end of the trial period should your application be successful.

Job Type: Full-time
