

# STONEWEST IS HIRING

## BUILDING SURVEYOR (BUILT HERITAGE)

Join our expert team as a Heritage Building Surveyor, to play a key role in delivering and developing our consultancy services.

**ABOUT STONEWEST:** Stonewest is an award-winning Principal & Specialist contractor and building restoration specialist. We are proud to have served the construction industry for over 70 years. With our knowledge and expertise, Clients can depend on our talented team to deliver outstanding work with a collaborative, professional approach. In the UK our work is nationwide including London, the Northern Region, and the Southern Region.

**THE ROLE:** We are looking for a motivated and qualified professional with knowledge of building conservation, building pathology, and traditional forms of construction, with experience of undertaking and delivering detailed building/structures condition assessments and schedules of work. The candidate must be ready to step into a hands-on, autonomous role with support from the senior leadership team.

**LOCATIONS:** London, Northwest & Southeast.

**QUALIFICATIONS:** Degree in Construction related subject. Post graduate qualification in Building Conservation.

**KNOWLEDGE REQUIRED:** Knowledge of building conservation and building pathology. Knowledge and understanding in the use of building lime(s) and traditional building materials and applications, traditional forms of construction and maintenance.

**TRAVEL:** Must have a UK driving licence and ability to travel to jobs outside London if required. Public transport is encouraged where possible.

**PURPOSE:** To support the Business Development & Technical Director in procuring, managing and delivering company consultancy work and building surveying services.

**MEMBERSHIPS:** You will be encouraged to become a member of Heritage Bodies: Historic England, ICOMOS, SPAB.
