

Quality. Craftsmanship. Heritage.

LTM Group have a full order book for 2023 with vacancies throughout each of our regional locations to work on prestigious restoration projects within: -

- **Elgin, Huntly, Inverness, Stirling, and Edinburgh**

Our project portfolio includes long-term projects on some of the Scotland's finest historic buildings, city centre landmarks and exclusive private estates throughout Scotland.

We are seeking enthusiastic craftspeople who are passionate about producing high-quality workmanship, have a good work ethic and have a sense of pride in restoring Historic Buildings.

Our in-house SQA accredited Training Academy offers a Professional Development Award (PDA) in Heritage Skills that upskills our talent for structured career development.

Attractive remuneration packages with structured pay grades will be offered to candidates based on their level of experience. Travel time and travel expenses is paid when staying away from home.

Self Employed basis will also be considered.

- **Site Foreman Stonemasons**
- **Time Served Fixer Stonemasons**
- **Masonry Restorers & Stone Conservators**
- **Workshop Banker Masons (based in Stirling)**
