

Role: Fixer Mason

Salary: 20 – 30K

Full Time: Monday to Friday 7:30 -16:30 with the potential for overtime.

Driving license is essential due to traveling to different work sites/customers

Weldon Stone Enterprises LTD are hiring!

Weldon Stone Enterprises is a family run business founded in 1977, over the years the company has grown because we have enjoyed repeat business from many of our clients.

Weldon Stone has a policy of continuous improvement and have invested in a well-equipped yard and the latest stone cutting machinery. We have a training program for our stonemasons and apprentices to ensure that traditional hand skills are maintained and preserved for future generations.

We also offer a bonus scheme (including a Christmas bonus) to those who meet our established criteria.

We also offer paid overtime, the potential of a company vehicle and a tool honorary system which means our masons can buy their own tools through us and pay them off month by month.

We also offer a pension scheme

We are looking for two Fixer Masons to join our team. This is an exciting opportunity for both parties involved to start a healthy working relationship that will see successful candidates working as part of a highly skilled team.

Key Skills required include-

- Ability to work well in a team and communicate effectively on site
- Ability to work with instruction and independently efficiently
- Ability to understand architectural plans, details and specifications
- An excellent knowledge of past and current building practices
- An interest in architecture and design, with an excellent eye for detail
- Must be reliable, work to a high standard and have references available on request.

Main Tasks will include-

- Understanding, following, and enforcing Risk Assessments
- Monitoring Site materials and notifying Management of issues/shortages.
- Co-ordinating deliveries and dispatching
- Managing setting out and checking of all site measurements
- Always Keeping sites safe and tidy
- Following and understanding the requests of the Site Management

Qualifications-

- Industry Experience (Essential)
- Any H&S certification (desirable)

If you are interested in the above vacancy, or you wish to discuss this further then please don't hesitate to contact me regarding this & I will be more than happy to answer any questions you have.
