

## **ESTIMATOR REQUIRED**

Stone Central (NW) Ltd are looking to recruit a new estimator to join our professional team based in the Northwest of England.

Although qualifications are important, experience in the stone industry is essential.

The role would include:

- Formulation of enquiries and tenders received
- Condition surveying and reporting
- Follow up of tender submissions
- Establishing and maintaining relationships with new and existing clients.

We would also welcome applications from candidates that are looking to progress their stonemasonry skills into a career in a more office-based role where relevant training will be given. Applicants for this role would need a minimum of 10-15 years of practical experience.

Salary to be negotiated depending on experience.

If you would like any further information, please contact Jayne Jones at [jayne@stonecentral.co.uk](mailto:jayne@stonecentral.co.uk)
