

ROLE PROFILE

Job Role

Banker Mason

Job Description

We are a leading stone supplier, manufacturer, and installer, providing customers with the highest quality stone products/services for both interior and exterior projects. We are looking to expand our growing and long-established company, and as such, an opportunity has arisen for a Banker Mason to join our team.

As a Banker Mason you will be required to cut and shape stonework with a range of hand and power tools, working from templates and molds, to give it a textured or polished finish (dressing), in accordance with design plans; you may also be involved in carving figures, lettering or pattern work.

The role will be based at our production facility in Gloucestershire but may also include ad hoc visits to sites.

The candidate would ideally have a minimum of 5 years' post qualification experience; however, additional training can be provided to a candidate with the correct aptitude to work.

The successful candidate should know/be able to:

- Efficiently and effectively be able to work and dress natural stone.
- Have good co-ordination and manual skills for cutting and shaping stone.
- Follow and adhere to Health and Safety policy at all times.
- Be able to work carefully and methodically.
- Read drawings and plans made via AutoCAD.
- Be accurate with dimensions.
- Have an eye for detail to ensure quality control and high standards are met.
- The ability to work as an individual or as part of a team.

Job Type: Permanent, Full-Time
Location: Painswick, Gloucestershire
Salary: Depending on experience.

Start Date: ASAP
