Natural Stone Lifetime Achievement Award

In this, the 20th Natural Stone Awards, we want to take the opportunity to recognise and celebrate an individual who has made a significant contribution to their company or the natural stone sector over their career.

This award is open to anyone who had made a significant contribution, they could be a stonemason, factory operative, sustainability advocate or architect. The only requirement is that they are someone who had helped to develop and improve their company or the natural stone sector through their work in a way that their colleagues and company feel deserves special recognition.

The natural stone sector is one which many give their whole careers to, a commitment that we would like to recognise in this award.

To nominate someone, simply complete the form below and send it to awards@stonefed.org.uk.
